The screenshot shows the MentorLearn user interface. At the top left is the logo "MentorLearn". On the right side of the top navigation bar are icons for search, email, a profile icon, and a menu. A callout box with an arrow pointing to the profile icon contains the text: "This profile icon will allow you to view and update your learner profile information." Below the navigation bar is a large banner featuring an illustration of a man and a woman sitting at a desk with laptops. The banner text reads "Welcome, Nelson Mata" and "We are happy you stopped by." Below the banner is a grid of seven interactive tiles: "Resume" (Business communication), "My Courses" (See courses you are enrolled in), "Catalogue" (See a complete list of available courses), "Inbox" (Your priority messages), "FAQs" (The answers to your questions), "Resources" (Browse or download resources), and "Calendar" (See your scheduled events).
